

Technical drawing showing two views of a rectangular plate with four circular holes.

Top View (Left): Shows the overall dimensions of the plate as 96 (width) and 96 (height). A central square area is defined with dimensions 65 (width) and 65 (height). The distance from the outer edges to the center of the holes is 5.

Bottom View (Right): Shows the plate with four circular holes, each with a diameter of 5. The holes are positioned at the corners of the plate, with a distance of 5 from the outer edges to the center of each hole.
